

Keith Jacobson Scholarship Application

The scholarship is named for Keith Jacobson, past associate director who was instrumental in the pursuit and construction of the current Student Recreation Complex (SRC). Throughout his 32 year tenure at ASU, Keith always demonstrated that students came first. He is known for his statement "what does the "S" in SRC stand for?" It gave many full-time staff reason to stop and think. The purpose of the scholarship is to provide assistance to current SRC student employees that have demonstrated a positive contribution and committment to the SRC and to assist them in their academic pursuits. The scholarship is for \$250.00 to the successful applicant.

To apply:

Please complete the following application in addition to submitting the following items:

1. Letter of Recommendation (excluding any family member)
2. Unofficial Transcripts
3. Resume

Information

- The Keith Jacobson Scholarship is available to all undergraduate SRC employees.
- Financial need is not a factor in the selection process.
- A minimum cumulative grade point average of 2.5 is required but a selection committee will review and make determinations yearly.
- Scholarship recipients must be current SRC employees. They must have been SRC employee for two (2) semesters (with the summer considered equal to one semester), be currently enrolled as a full time student and have been enrolled in two (2) consecutive semesters of college at ASU (summer can be deemed a semester but will not count against an applicant that has not participated in summer school).
- The scholarship is valued at \$250.00 and is offered to one student each fall and spring semester (applications are due in the preceding semester).
